

List of Publications Department of Microbiology

1. Mantri RS, Karyakarte RP, Ambhore NA, Kombade SP. Trends in seropositivity among suspected Dengue fever cases in Western Vidarbha. **Unique J Med & Dent Sci** 2014; 02: 76-79.
2. Mantri R, Karyakarte R, Ambhore N, Kombade S. Prevalence of Methicillin resistant *Staphylococcus aureus* in tertiary care hospital, Central India. **Int J Curr Microbiol & App Sci** 2014; 03: 582-586.
3. Heda KM, Mantri RS, Deshmukh SP. Biological Evaluation of Some Newly Synthesized Thiadiazines. **Int J Chem & Phys Sci** 2015; 04: 164-168.
4. Mantri RS, Ambhore NA, Karyakarte RP, Kombade SP. Antibiotic Sensitivity Pattern of Klebsiella Spp. in Akola. **Natl J Med Sci** 2015; 4: 25-28.
5. Galate LB, Karyakarte RP, Ambhore N, Gajbhiye P. Prevalence of HIV-TB Co-Infection and Study of its Epidemiological Variant among Patients Attending ICTC and RNTCP Center of Government Medical College & Hospital, Akola in Maharashtra, India. **Int J Curr Microbiol App Sci** 2015; 4: 744-748.
6. Goenka AS, Karyakarte RP, Aggarwal SS, Ambhore NA, Mantri RS. Study of Bacteriological Profile of Urinary Tract Infection among Patient Attending Tertiary Care Center. **Int J Info Res & Rev** 2015; 2: 929-932.
7. Kombade SP, Mantri RS, Ambhore NA, Karyakarte RP. Subcutaneous human Dirofilariasis in Vidarbha. **IJPM** 2016; 58: 387-388.
8. Dagar V, Heda S, Barsagade A, Mahore S, Ambhore N, Karyakarte R, Salkar A, Bothale K, Khan S. Comparison of ZN Staining and Fluorescent Microscopy in Detection of Acid Fast Bacilli in Fine Needle Aspiration Smears. **IOSR-JDMS** 2016; 15: 79-84.
9. Ambhore NA, Sayare PC, Karyakarte RP, Mantri RS. Trends of Seroprevalance and Epidemiology of HIV infection: A Five Year Tertiary Care Hospital Based Study. **Int J Curr Microbiol App Sci** 2016; 5: 733-740.
10. Sayare PC, Ambhore NA, Mantri RS, Karyakarte RP. Prevalence of HIV Infection among Pregnant Women in a Tertiary Care Hospital Akola, India, **Int J Curr Microbiol App Sci** 2017; 6: 691-696.
11. Giri P, Ambhore N, Gedam D, Mantri M, Karyakarte R. prevalence of asymptomatic bacteriuria in pregnant women in a tertiary care hospital at Akola. **J. Cont Med A Dent** 2017;5(2):51-54.

12. Parate A, Karyakarte R, Ambhore N. phenotypic detection of carbapenemase production and difference in antimicrobial susceptibility pattern in clinical isolates of *Klebsiella pneumonia* at a Medical college Hospital in Vidarbha region. **Indian J Microbiol Res** 2017;4(3):253-258.
